Hi Rick,

I spoke with Linda and if its okay with you, we'd like to stick with the 31st. Even if I'm not in the office, Christina can give the presentation. She's been very involved in the development for the past several months and is up to speed on the pilot. Linda can field any historical questions that Christina may not be able to answer. Also, if it is possible to call into staff meeting, I would be willing to do that.

We just don't want to lose any time by delaying this any longer, if possible. Does that work for you?

Thanks,
Jose

Just checking in. If you are going to be moving on the 31st, we can ask for the briefing to be held at an OPP Staff Meeting in early September.

Rick,
I might be moving to my new house that day. However, it might be Tuesday. I should know this week.

Could you be available to present at the August 31st OPP Staff Meeting?
